The International Journal of Research on Service-Learning and Community Engagement (IJRSLCE) is a publication of the International Association for Research on Service-Learning and Community Engagement (IARSLCE). Currently published annually, IJRSLCE is dedicated to disseminating high-quality research focused on service-learning; campus–community engagement; and the promotion of active, effective citizenship through education.

IARSLCE promotes high-quality transdisciplinary research that reflects a wide range of approaches and forms—research that builds the capacity of scholars, practitioners, and community partners to engage in such research.

Paul H. Matthews University of Georgia (Georgia, USA)
Alison Taylor University of British Columbia (Canada)

The editorial team would like to thank the many scholars who volunteer their time and expertise as peer reviewers, providing thorough evaluation and substantive feedback for the many manuscripts submitted for consideration in IJRSLCE. Their commitment to providing substantive feedback and timely manuscript review is what underpins this publication’s commitment to quality and integrity.
