

The International Journal of Research on Service-Learning and Community Engagement (IJRSLCE) is a publication of the International Association for Research on Service-Learning and Community Engagement (IARSLCE). Currently published annually, IJRSLCE is dedicated to disseminating high-quality research focused on service-learning; campus–community engagement; and the promotion of active, effective citizenship through education.

IARSLCE promotes high-quality transdisciplinary research that reflects a wide range of approaches and forms—research that builds the capacity of scholars, practitioners, and community partners to engage in such research.
